During this latter period of training for six weeks, I presume I was supposed to be in regular Service and the payment received during that period was only my Salary. Each of us was paid differently in accordance with the Salary on which each of us was started in regular Service. This latter period of Agricultural Training therefore is not evidently included for consideration in the present question of refund.

His resignation was accepted by the D.C. Kaira on 5-7-29. Moreover, in his letter dt. 23-12-29, the Revenue explains the circumstances, under which instructions were issued calling upon Mr. Rangaiya to refund the stipend drawn by him as Probationary Rev. Inspector. Mr. Rangaiya says that circumstances under which he had to resign his appointment were due to causes beyond his control and that he may be exempted from refayment of the stipend drawn by him as Probationary Rev. 30 This case had come up for consideration once before, shortly after the issue of the G.O. of 11th February 1930 passing orders about the recovery of the stipend from the official. The main argument then put forward by the official for a re-consideration of the order was that, because he had not executed any agreement binding himself to serve as a Revenue Inspector for a definite period, he was not bound to repay the stipend drawn by him merely

on the score of his having resigned the job after a time. But as he had since secured Clerk's place in the B.R.S., it was thought that the G.O. of 11th February 1930 was not ultra vires and that the official could not escape his liability under it. An endorsement was issued to him accordingly on 12th June 1930.

31 The present memorial submitted by the official on 31st October 1930 is for a re-consideration of the above order. No fresh grounds have been urged in this other than those already urged in the previous memorial.

32 The papers relating to his resignation which have been called for and obtained from the Dy. Commr of Kadur do not speak well of his sense of duty. ~~He had~~ They go to show that he had been granted privilege leave for two months; but before he could be relieved, he ~~leaves~~ left his appointment writing a letter to the Amildar saying that he has left the place forwarding all the papers in his charge by Registered Parcel (and asking him to treat the absence as privilege leave or to treat the letter as a resignation. The Amildar has naturally resented this and the Sub-Division Officer has rightly remarked that the Sheikdar's conduct in having deserted his place of duty when he was most required to be there and his threat of resignation do not speak well of him.

33 In his letter to the Amildar referred to above, the official has alluded to certain urgent private affairs which compelled him to act in the manner he did. But in his memorials to Govt., he has shifted his ground

NOTE—Contn. Sheet.

and stated that he had to resign as he was taken seriously ill on account of the malnad climate and his prayer for a transfer to the maidan was not considered favourably. It is not known which of these statements is the more correct of the two.

35 It is a pity that although the T.O was issued more than a year ago no recovery has yet been made from this official. The reason for the delay should be explained.

36 On the merits, the petn has not much of a case. He has been given a place in the Secrt in spite of his not to satisfactory record and he should not expect any further concession. At least half the amount due should be recovered from him before the question of showing him any indulgence is considered

For Revenue Commissioner.

To

The Dewan of Mysore,

Bangalore.

Begs to submit the following memo of points for sympathetic and favourable consideration:-

1. Joined Service in the General and Revenue Secretariat in the year 1926 as an Acting II Division Clerk on Rs. 30 per mensem after finishing his B.A. course and securing a pass in the first group—worked in the same office for about a year and a half in the above capacity.

2. Was appointed in January 1928 as Probationary Revenue Inspector on a stipend of Rs. 30 per mensem for which he had applied with a view to better his prospects.

3. Was appointed a Revenue Inspector and posted to the independant charge of a Hobli in Chickmagalur Taluk on the same Rs. 30 per mensem after the completion of the course.

4. Worked there in that capacity for a period of about four months till he was seriously taken ill on account of the disagreeable Malnad claimate which emaciated him totally and seriously affected his capacity for physical endurance and strain. He had none to attend upon him as the circumstances of the family were not favourable

5. His prayers for a transfer to a Maidan place were not, unfortunately, considered favourably and in the inevitable and helpless circumstances, had to submit his letter of resignation which was accepted unconditionally. (a copy of the endorsement received from the Deputy Commissioner, Kadur, is also submitted for kind perusal).

6. Was later unemployed for a period of seven months during which period he was only able to recoup his shattered health-

was once again favoured with a post of a Second Division Clerk in the Secretariat on Rs. 30 per mensem in Januarv 1930 which, he now holds.

7. He is greatly surprised to be now asked by the Revenue Commissioner, after a lapse of a long time and all of a sudden, to repay the stipendary amount he had received during the period of training as Probationary Revenue Inspector, as per Government Order No. Rx R. 5537-46/L.R. 310-29-2 dated the 11th February 1930, though he had not entered into such agreement with the Government.

8. Begs to state that the above Government Order was issued long after his resignation of his post of Revenue Inspector and that it would unfortunately tend to penalise him heavily if the above Government Order be given effect to retrospectively.

9. Begs also to submit that in view of the small salary that he is getting here and his being the only supporter of his poor and large family, and in view also of the unfortunate and unforeseen circumstances which were beyond his control he may be kindly exempted from the operation of the above Government Order as a result of which, action is being taken to recover the stipendary amount every month from the moity of his pay.

I beg to remain,
Sir,
Your most obedient servant.
K. Rangaiah.

Sir,

With reference to the Endorsement dated. 17th Feby. 1931 stating that Rs. 10/- will be deducted each month from my salary towards the recovery of the stipends I had received as a Probationary Revenue Inspector, I beg to submit this, my humble representation for sympathetic consideration.

I beg to state, Sir, that I am a poor clerk on a salary of Rs. 30/- per mensem only, without any other source of income. I am the mainstay of my family and having already insured my life in the Oriental Life Assurance Company I have been sparing with much difficulty about Rs. 3/8 each month towards the premium. And out of the balance of Rs. 26/- if a further sum of Rs. 10/- is deducted the remaining Rs. 16/8 is hardly sufficient to maintain myself and my family, that too in a City like Bangalore.

I humbly beg of you, therefore, to re-consider my case and kindly order the recovery of only Rs. 5/- per mensem.

I beg to remain,
Sir,
Your most obedient
servant.
